The AMERICAN JOURNAL OF MATHEMATICS is published six times annually: February, April, June, August, October, and December.

Information for Subscribers

Annual subscription prices: Institutions, \$115.00; Individuals, \$36.00. Add \$15.00 postage for subscriptions mailed outside of North America; \$5.20 for Mexico and Canada. Single issue price: \$9.00.

Address changes, subscription inquiries, and all business communications should be sent to: The Johns Hopkins University Press, Journals Division, 701 W. 40th Street, Suite 275, Baltimore, Maryland 21211.

Claims for replacement of missing issues must be received within 3 months (6 months in the case of foreign subscribers) following publication of the issue.

Postmaster: Please send form 3579 to the above address.

Information for Authors:

Authors may submit manuscripts for publication to any of the four editors, whose addresses are as follows:

Professor Jun-Ichi Igusa, Department of Mathematics, The Johns Hopkins University, Baltimore, Maryland 21218.

Professor J. H. Sampson, Department of Mathematics, The Johns Hopkins University, Baltimore, Maryland 21218.

Professor Richard B. Melrose, Department of Mathematics, The Massachusetts Institute of Technology, Cambridge, Massachusetts 02139.

Professor Spencer J. Bloch, Department of Mathematics, The University of Chicago, Chicago, Illinois 60637.

Manuscripts may be submitted in English, French, German, Italian or Spanish, preferably in duplicate. Authors should also retain a complete copy. Please include a letter of submittal with each manuscript.

Kindly consult the inside back cover for essential instructions regarding preparation of manuscripts.

Reprints: 75 reprints with cover, or 50 each for authors of joint articles, will be furnished free to the authors of articles published in the Journal. Additional reprints may be ordered from The Johns Hopkins University Press.

Printed at The Sheridan Press, Hanover, Pa. U.S.A.

Second-class postage paid at Baltimore, Maryland and at additional mailing offices.
